Address of Development: King St. Whalley

Comments: Fully supportive of the plan for this new amenity in Whalley village. With all the additional residential development in recent years, the village needs more facilities of this type and Northcote are renowned for being a good, considerate operator. The development is in keeping with the general ambience of Whalley village and complements the existing facilities and retail/leisure offerings nearby.

Address of Development: 69 King Street Whaley BB7 9SW

Comments: In favour of this application. It is good that somebody is prepared to invest in Whaley and create employment in the area. A grand looking building which is slowly falling into disrepair will be saved from becoming an eyesore and hopefully enhance the village.
