Comments: I am a very regular visitor to the area, visiting Nothcote and Whalley on almost a monthly basis, we almost always wander into the village when we stay and I can honestly say it is a fabulous place, I can only see positives for this sot of development. It can only serve to bring more visitor traffic into the town and boost the local economy.

I strongly support the application.

Comments: I think that Northcote coming to Whalley will be a great asses to the village. It will bring people into the village and will bring its amazing reputation to a lovely place.

Comments: This will be a fantastic addition to Whalley. It is exactly what Whalley needs. Whalley has had some bad press which it has certainly not deserved. This has affected its overall reputation, even though the areas it involved were tiny & not relevant to everyday life in the village. This will regenerate the village & be a beautiful centrepiece helping all of the shops and businesses.
