Application No. 3/2025/0002
Land rear of Sabden Village Hall, Wesley Street, Sabden, Clitheroe BB7 9EH

Dear Sirs,

The [REDACTED] hereby endorse our support of the above application for a proposed car park to land at the rear of Sabden Village Hall.

Our reasons for support of this application are as follows:

1. It would create better access to the church and churchyard, not just for our Sunday congregation but for the elderly and disabled and those visiting the communal churchyard and Sabden Village Hall. We have several funerals, weddings and baptisms during the year and the car park would provide more spaces and take the pressure off pavement parking on Stubbins Lane, (at a recent church fundraiser, a resident from Stubbins Lane had to ask for a car to move as it was blocking the access to their driveway) also provide greater turning circle for the special transport required for these occasions.
 2. Sabden Hall is now used by more classes i.e pottery, painting tai chi, painting, badminton, Brownies, children's birthday parties etc. and several church activities during the course of the year.
 3. We have the ability to lock the gates leading up to the car park hall and church
- I hope these valid points will support the application for a car park.

Yours faithfully
[REDACTED]
