**Comments:** [REDACTED] and we wanted to comment offering our full support to Karin and her plans to create a workspace and gallery. We're really excited to see what she does with the space and to have somewhere on our doorstep to buy lovely, local, arty gifts for friends and family! Any increase in visitors to the village can only be a good thing as it will hopefully benefit other local retail and hospitality businesses, and there is ample parking with the two village carparks.
