IN THE WINTER THE FOOD TRAILOR WILL PROBABLY CLOSE AND ONLY OPEN FRIDAY, SATURDAY AND SUNDAY AS THERE IS NO ONE ON THE HILL ON A WET, COLD, WINDY DAY.

We have a 5 from Health and safety on the restaurant and the Food Trailor.

Many customers are very happy with the food cabin as there is nowhere on this side of the hill for people to get a drink or snack. They can also use the toilets as the nearest toilet would be in Sabden. The view from us is spectacular and the gateway to the Ribble Valley. I often say to people how beautiful is the Ribble Valley and Lancashire as some people think Lancashire is full of mills and grey towns. We can see blackpool and Ingleborough near Skipton so a 40 mile breathtaking view. We have a map outlining all the hills so people can see them. We subscribe to Lancashire tourist board and this is a good addition as we want people to walk and get more active which is always outlined on the news with the chance of getting a coffee or ice cream.

We have a big bin at the food cabin and all waste is put into the restaurant bins at the end of the night. This is also helpful to walkers who have brought their own lunch as they can dispose of their wrappers which sadly often get thrown on the hill which is also a problem in the Lake district and Yorkshire Dales.

The site is all locked up at night with an electric gate so is very secure as the gate is only opened when we are open.

I hope this answers your queries. Please get in touch with any further queries as I am aware of the deadline and look forward to your answer.
