To whom it may concern,

As the [REDACTED] of a [REDACTED], I see first-hand the impact that the shortage of affordable housing is having on the community of Bolton-by-Bowland. Many local families, including those with young children, are being priced out of the area, leading to [REDACTED] and placing the long-term sustainability [REDACTED] at risk.

[REDACTED] is at the heart of the village, providing not only [REDACTED] but also social cohesion and a sense of identity for local families. Without access to affordable housing for young families who wish to live and work locally, we risk losing both [REDACTED] and the vibrant, intergenerational community it supports. Ensuring suitable housing provision is therefore essential to keeping [REDACTED] and the village thriving, therefore I fully support the Lunds' application for planning permission to convert their barn into affordable housing.

Yours faithfully,

'Know that the Lord is God. It is he who made us, and we are his; we are his people, the sheep of his pasture.' Psalm 100:3
