Planning Application Reference No.: 3/2026/0105

Address of Development: 53-57 Berry Lane
Longridge

Comments: There is no reference to the parking situation in relation to this proposal. Parking on Warwick Street is diabolical. I visit premises on Warwick Street regularly. It is rare to find a parking space. Often large vehicles, visiting the garage, completely block the road. Alternative parking on Berry Lane is also very difficult. Booths car park is very busy and often full. The parking situation is not conducive to this application. An alternative site out of the centre of Longridge, perhaps in an industrial site location would solve the this issue and be far more convenient for customers. Please do not add to the congestion in this lovely town.

Planning Application Reference No.: 3/2026/0105

Address of Development: 53 to 57 berry lane

Comments: Whilst a Pilates studio sounds attractive there is no parking whatsoever to accommodate it parking to the rear is already hugely congested and difficult due to the garage and adjoining businesses

Berry lane has no parking on street and are people going to pay to

Park in the car park near to booths unlikely !!

We have to encourage footfall on berry lane not more cars !
