20 March 2026

Dear Lucy Walker,

Planning Application No: 3/2026/0130

Grid Ref: 373324 436429

Proposal: Proposed stone cleaning and repointing to the north, east and south elevations.

Location: Old Grammar School Community Centre Station Road Whalley BB7 9RH

The Parish Council wishes to comment on the proposed materials detailed within the above planning application, specifically the use of a 6:1:1 sand:lime mortar mix.

The Parish Council has concerns that this specification is not appropriate for a listed building and recommends that a suitable lime-based mortar (e.g. lime putty or Natural Hydraulic Lime.) is specified prior to works commencing.

Please give due consideration to these comments and ensure that any approved materials are appropriate for the conservation of the listed building.

Yours sincerely,

EK Haworth
