

PLANNING PERMISSION - Proposed extension to existing agricultural livestock building.

APPLICATION NO: 3/2025/0885

DECISION DATE: 07 January 2026

DATE RECEIVED: 14/11/2025

APPLICANT:

Mr Ben Hartley
Mason House Farm
Clitheroe Road
Bashall Eaves
Clitheroe
BB7 3DD

To whom it may concern,

RE: Containment and storage of Manure

The proposed extension will utilise the existing automatic robotic slurry systems currently in operation within the adjoining building. The robotic slurry collection system will be reprogrammed to cover the additional area within the extension.

These slurry robots collect the slurry and transfer it to a holding tank, from where it is pumped to the farm's slurry lagoon. This process is carried out several times daily to ensure the highest standards of animal welfare.
