Address of Development: Berry lane
Longridge

Comments: The location of this new place is not suitable in my eyes, the reason for my reaction is because [Redacted] and to know that this is going to be open 7 days a week will be a disturbance for other residents in the building, we do not want to hear screaming kids, or crying especially when on rest days from work, also barclay road is very busy during the week because of the co op store and the surgery, cars in and out of the car park and children of the age range of 0-7 not really having much road sense would be dangerous and a risk if they were to run out into the road
