AGENT:

PARTICULARS OF PROPOSED WORKS: Listed building consent for installation of 2no security cameras on the front elevation.

AT: St Peter and Paul Presbytery Stydd Lane Ribchester PR3 3YQ

Ribble Valley Borough Council hereby give notice that **Listed Building Consent has been granted** for the execution of the works referred to above in accordance with the application and plans submitted subject to the following condition(s):

1 The proposed development must be begun not later than three years from the date of this permission.

Reason: Required to be imposed by Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

2 Unless explicitly required by condition within this consent, the development hereby permitted shall be carried out in complete accordance with the proposals as detailed on drawings:

- Location Plan scale 1:1250

Reason: For the avoidance of doubt as the proposal was the subject of agreed design improvements and/or amendments and to clarify which plans are relevant to the consent hereby approved.

Note(s)

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.
3. The Local Planning Authority operates a pre-planning application advice service which applicants are encouraged to use. Whether or not this was used, the Local Planning Authority has endeavoured to work proactively and positively to resolve issues and considered the imposition of appropriate conditions and amendments to the application to deliver a sustainable form of development

4. This Decision Notice should be read in conjunction with the officer's report which is available to view on the website.
5. The applicant is advised that notwithstanding the granting of this application for Listed Building Consent, an application for planning permission is also required. This is because the building is listed and therefore the installation of closed-circuit television cameras does not meet the requirements of Schedule 2, Class F of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision, then you must do so within 6 months of the date of this notice unless the following apply:

- If this is a decision to refuse planning permission for a householder application or a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice [reference], if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.

Appeals should be made online via <https://appeal-planning-decision.service.gov.uk/before-you-start>. If someone does not have access to the internet and needs help completing the appeal digitally, they should contact the Planning Inspectorate customer service team on 0303 444 5000 who will provide details of support options available.

Before making an appeal, you may find it helpful to review guidance and watch a video explaining the appeals process at <https://www.gov.uk/government/collections/make-an-appeal-to-the-planning-inspectorate-and-associated-guidance>.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
