Planning Application Reference No.: 3/2026/0230

Address of Development: Land to the south of Ribblesdale Primary School west and north of Higher Standen Drive

Comments: I have lived in Clitheroe now for [REDACTED] with my family now and I object to the development this new proposed development.

The reasons for this are:

- the development would build on the only green space left on [REDACTED] causing a negative impact on the wellbeing of residents and wildlife
- the development would cause a much greater influx of traffic on the higher standon road which is already extremely busy. This in turn puts my [REDACTED] at more risk of collision and will cause delays and congestion with journeys.

Sincerely,
