For the attention of Ben Taylor

Location: Land at Lower Standen Hey Farm, Whalley Road, Pendleton, BB7 1PP
Proposal: Proposed erection of an agricultural livestock building

1. Recommendation

The Highway Development Control Section of Lancashire County Council has no objections to the planning application.

2. Highway Impact Assessment

With regard to your consultation letter dated 27th April 2026, the following comments are based on the submitted information provided by the applicant to date.

The submitted documents have been reviewed; the application seeks to erect an agricultural livestock building.

There are no plans to alter the existing access, and no significant intensification in the use of the track is anticipated.

3. National Policy Alignment

Paragraph 116 of the National Planning Policy Framework (NPPF) states that:

" Development should only be prevented or refused on highways grounds if there would be an unacceptable impact on highway safety, or the residual cumulative impacts on the road network, following mitigation, would be severe, taking into account all reasonable future scenarios."

Having considered the submitted information, there are no highway grounds to support an objection, in accordance with the NPPF.

If you have any questions regarding my comments, please do not hesitate to contact me.

Yours sincerely

Luke Brydges
