**Address of Development:** Brian Holden memorial ground

**Comments:** Itss disgraceful this is being considered on a quiero housing estate. The traffic is bad enough on football days, speeding cars , dangerous parking. The roads are not suitable for heavy traffic !!! The light pollution and possibility of vandalism and youths hanging around is just very worrying . And who will be accountable if this happens. [REDACTED] will not be able to play out anymore due to the increase in traffic and dangerous parking. Why put it in the middle of a housing estate?????
