Planning Application Reference No.: 3/2026/0295

Address of Development: Brian Holden memorial playing field , mardale Road longridge Pr33eu

Comments: This planning application will be a disaster for our estate if it goes ahead the roads to the playing field get cars parked on corners , on pavements so making passing impossible unless you go around and on the road , the cars race down the road and this is just on a Sunday for the football , this estate was not built to be able to cope with excess traffic , the floodlights will cause a light nuisance , and this once peaceful beautiful estate will no longer be ,we also would like to point out the excessive noise till 10 pm seven days a week is totally unacceptable .I strongly object to this planning application along with the majority of our neighbours and friends on the estate . Please see sense and cancel this ridiculous application
