

Replacements

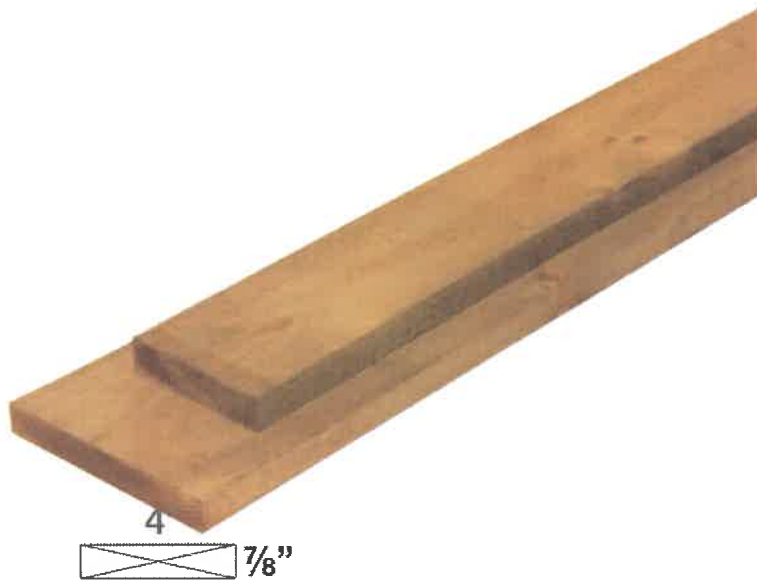

Gutters – Cast Iron 115mm half round gloss black

Downpipe - Cast Iron 68mm gloss black

Facias Board - Sawn Carcassing Treated Timber 22mm x 100mm

Paint - Gloss Black external wood paint - for treated timber that will be used for facias

Sandstone lintel -I would prefer to use a reclaimed lintel to keep it in-keeping with the original. Below is an example of this.

Lime Mortar

Aim to get as close a comparable as possible to the current colour and material ratio.
