Legend

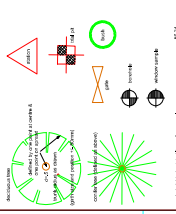

- Proposed Road
- Proposed Footpath
- Proposed Cycleway
- Proposed Drainage
- Proposed Fencing
- Proposed Planting
- Proposed Structures
- Proposed Utilities
- Proposed Landmarks
- Proposed Boundaries
- Proposed Easements
- Proposed Other

Site Location

Notes:

- All dimensions are in meters unless otherwise stated.
- The proposed road is shown in green.
- The proposed footpath is shown in orange.
- The proposed cycleway is shown in blue.
- The proposed drainage is shown in red.
- The proposed fencing is shown in black.
- The proposed planting is shown in green circles.
- The proposed structures are shown in grey.
- The proposed utilities are shown in yellow.
- The proposed landmarks are shown in brown.
- The proposed boundaries are shown in dashed lines.
- The proposed easements are shown in dotted lines.
- The proposed other is shown in various colors as indicated in the legend.

1. The site plan shall be prepared in accordance with the provisions of the National Building Code of the Philippines (NBCP) and the Local Ordinance of the City of Manila.

2. The site plan shall show the location of all buildings, structures, and other improvements on the site.

3. The site plan shall show the location of all trees and other vegetation on the site.

4. The site plan shall show the location of all easements and other encumbrances on the site.

5. The site plan shall show the location of all utility lines and other infrastructure on the site.

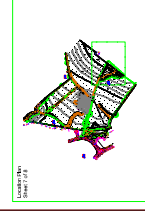

6. The site plan shall show the location of all parking spaces and other circulation facilities on the site.

7. The site plan shall show the location of all setbacks and other zoning requirements on the site.

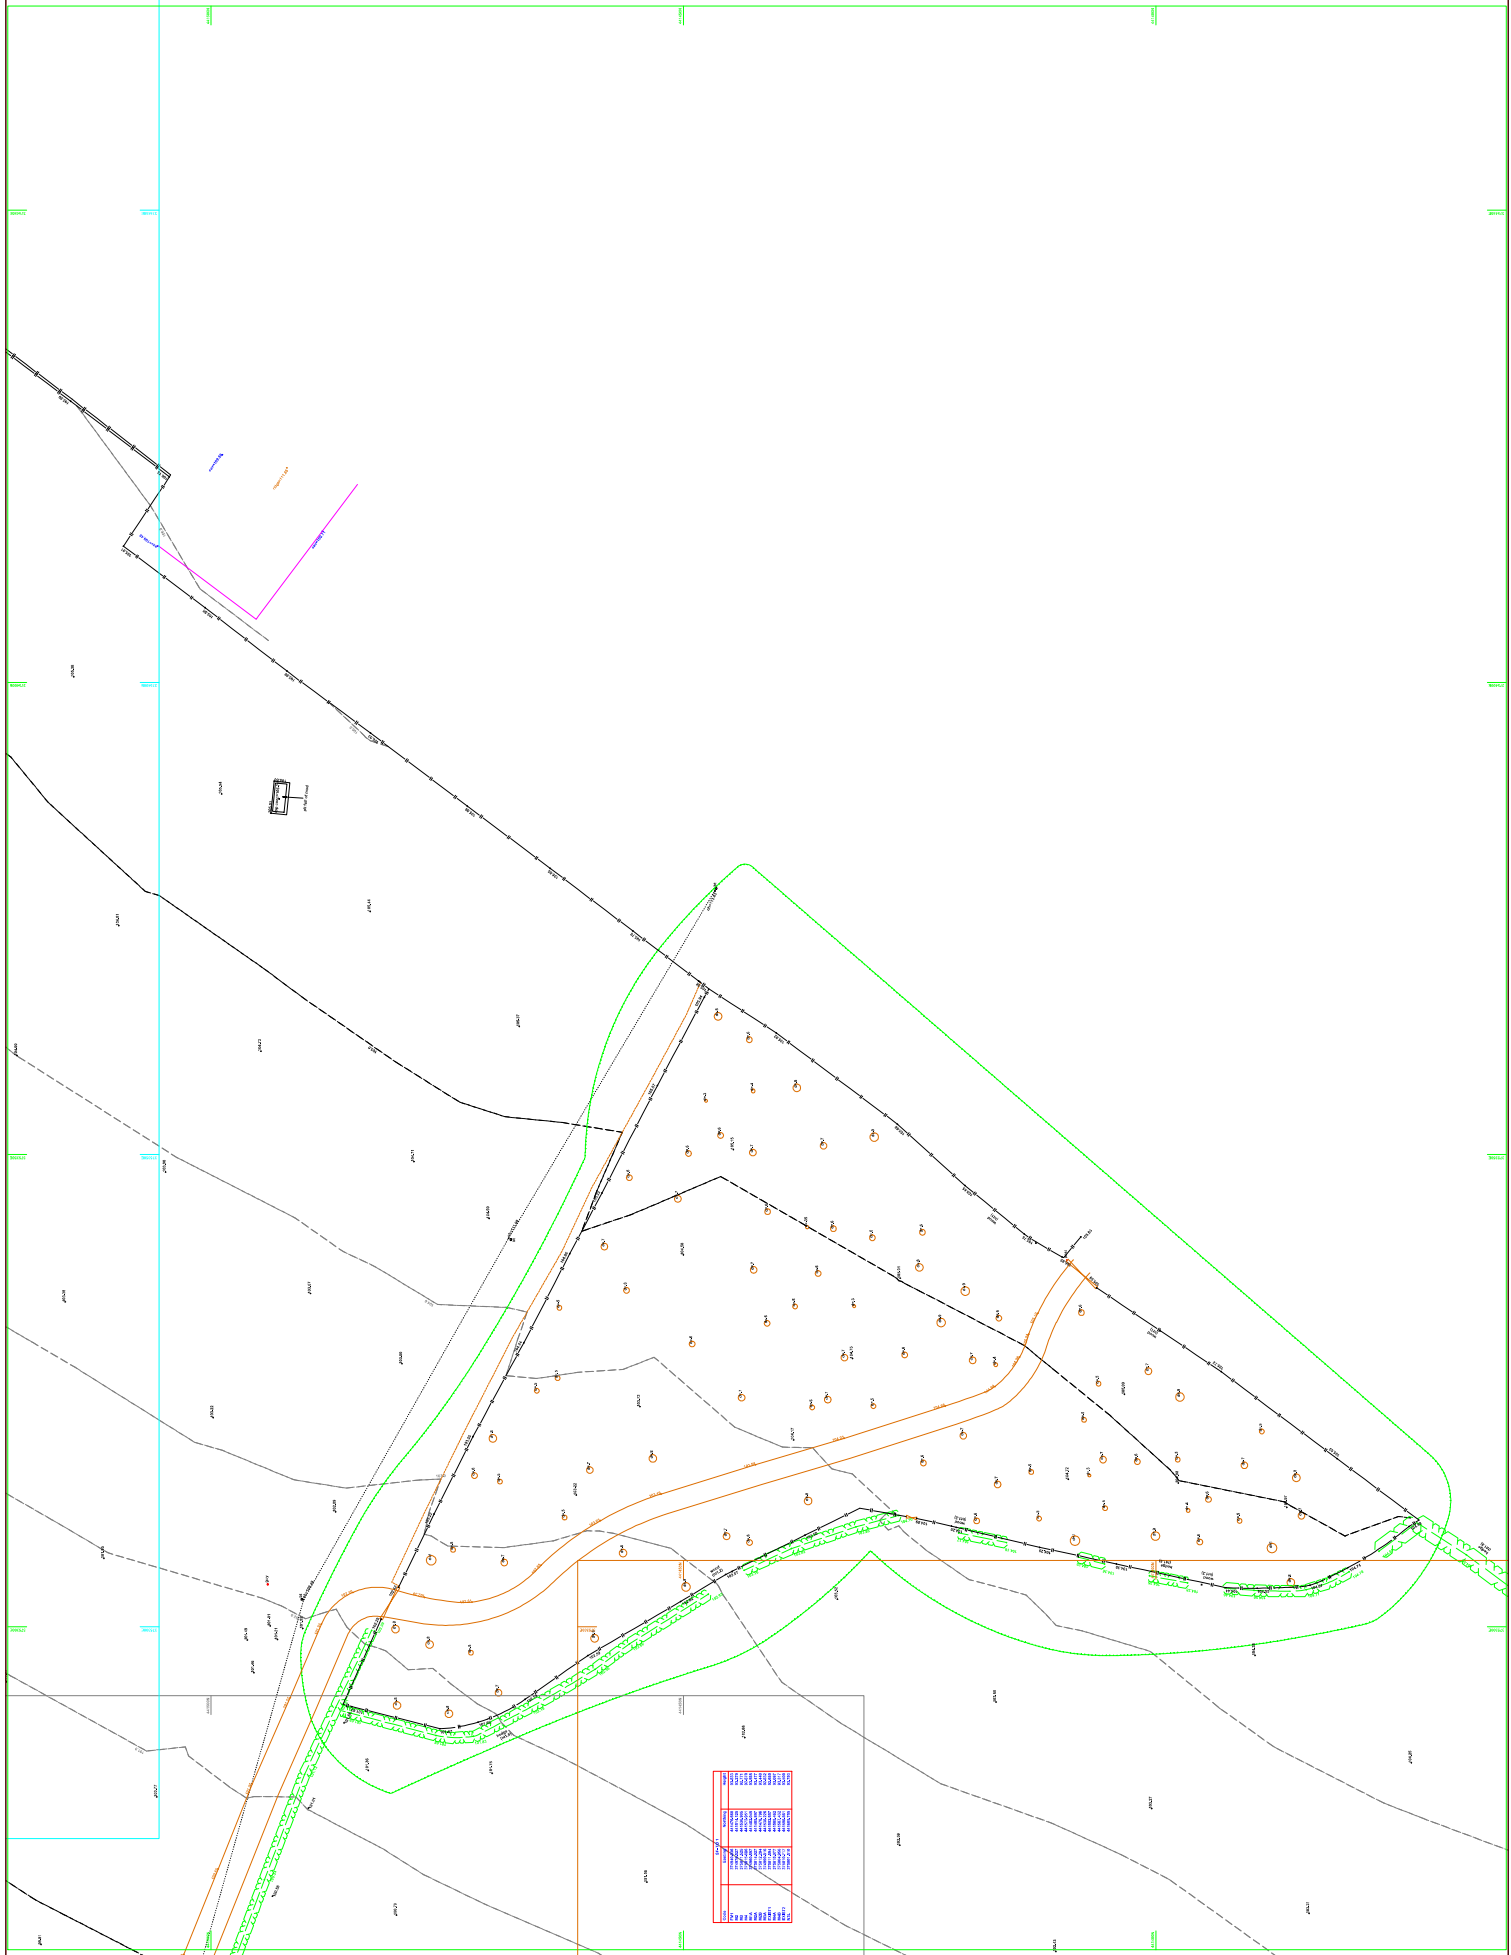

8. The site plan shall show the location of all other features and details as required by the applicable laws and regulations.

9. The site plan shall be prepared in a clear and legible manner, using a standard scale and projection.

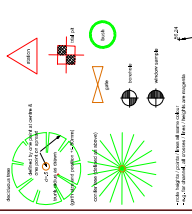

10. The site plan shall be accompanied by a detailed description of the site and the proposed improvements.

Extract from maps of United Utilities' Underground Assets

The position of the underground apparatus shown on this plan is approximate only and is given in accordance with the best information currently available. The actual positions may be different from those shown on the plan and private service pipes may be shown by a blue broken line. United Utilities Water will not accept liability for any damage caused by the actual position being different from those shown.
