To: Anna Robinson,

Planning Application No: 3/2026/0324

Proposal: Proposed single-storey extension to rear, raised deck to rear and covered car port to side.

Location: 3 Chesterbrook Ribchester PR3 3XT

I refer to your consultation letter. The proposed application has been reviewed and there are no highway objections. There are no changes to the existing access, and the existing off-street parking arrangements remain unaffected.

It is considered that the proposed extension and associated works will not result in a severe impact on the operation or safety of the local highway network and as such accords with the relevant provisions of the National Planning Policy Framework (Para.116) in respect to highway and transport impacts.

Yours sincerely,

Gurmala Kandola

Development Control
