Considerations by Longridge Town Council

Application: 3/2026/0430.

Land off Higher Road Longridge PR3 2YX

The Town Council is concerned that passing this application would set a precedent , particularly in this area. It is noted that there is a lot of groundwork already being carried around this site, clearing and levelling other sites, which have previously been havens for wildlife and contributing to the wildness of the vista, which many people go there to admire. In addition, the road is narrow and the access point is on a bend. The Town Council request that RVBC carefully consider this application.
