Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A lawful development certificate should be granted for the following reasons:-
The length of the extension is 4m on a detached property.
The eaves height does not exceed 3m within 2m of the boundary.
The extension does not sit closer to a public highway
The proposal does not cover more than 50% of the land surrounding the original house.
It is not in AONB or conservation area
External materials will be the same finish as existing
I do not believe permitted development rights have been removed

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
