Dear Kathryn Hughes,

Thank you for consulting us on the above application, on 22 July 2026.

Environment Agency position

We have no objection to the proposed application. The operator has the benefit of a permit under the Environmental Permitting Regulations. It will be the responsibility of the site operator to ensure that they apply for any variation to the existing permit that may be required as a result of any changes or amendments to operations on site involving the storage of hazardous materials.

If you have any questions regarding our response, please contact clplanning@environment-agency.gov.uk.

Yours sincerely,

Dana Binns – Sustainable Places Planning Advisor
