FAO LUCY WALKER & NICOLA HOPKINS

I have lived on Chatburn Road for [REDACTED] and I [REDACTED] Cricket Club directly. The standalone office pod for car sales is very unobtrusive and tucked away with an earth bund screen, which makes it aesthetically pleasing. The office pod is very well run and creates no problems with entrance to the Cricket Club. No noise is created by the car sales site. Cars bought are taken away quickly and without any fuss or the need for transporters. Clitheroe Cricket Club is extremely successful and a real asset to the town. It provides young (and older) people with opportunities to play many sports in a friendly and safe environment. It is a joy to witness. I feel that the car sales service is another asset that the Cricket Club is allowing for the good of the Clitheroe Community and the surrounding area. Without reservations, I fully support the application for the standalone office pod to remain in its current position at Clitheroe Cricket Club. With kind regards,
