Dear Ms Hopkins,

Planning Application: 3/2026/0552. Discharge of condition requiring archaeological building survey and report. Horrocksford Old Hall Farm, West Bradford Road, Clitheroe.

Thank you for your consultation and the attached draft archaeological building report. On the whole the report is satisfactory but there are some minor issues. A few of the photos are rather dark and might benefit from some editing so that more detail is visible. The photo numbering also seems to have gone astray in places (there appears to be several Photo number 036, all showing different elements and not conforming to the list of photos) so some attention should be paid to correcting that.

If these corrections are made and a corrected version submitted we can advise that the record is appropriate for the work we advised should be carried out to record the building.

If this raises any questions please get in touch with us again.

Yours sincerely

Peter McCrone
