Planning Application Reference No.: 03/2026/06/06

Address of Development: Land at Warwick Street Longridge PR3 3EB

Comments: Parking and deliveries

Both of these are stretched to a maximum on Warwick st already.

Resident parking and business parking. Business on berry lane also use Warwick st to park. Many houses own more than one car. The existing business have customers that struggle to park. Additionally, there are Butcher, brewery, car parts and printer deliveries to two printers, that have regular deliveries all week. These Lorrie's, block access when they are off loading.

I honestly don't feel the street could cope with another business with more traffic flow on the street.

That said, it would be amazing to have a hardware store back.

I just personally feel the access needs to be from Berry lane, not Warwick st.
