I don't know the number. It was on the Internet news as another development round Longridge
How many 4 house developments have you got.

I object in the strongest term to ANOTHER batch of development in this area.

Another loss of green belt, another burden on underground services, another strain on support services, more population, more stress on the already deplorable state of the roads, more congestion.

Longridge has already endured massed development in the past that has ruined the character and charm of this once lovely town.

ENOUGH !!!!

Rgds.
