What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

1 - 1No. audio intercom removed from single leaf pedestrian gate.
2 - 1No. audio intercom moved from gate to fence post.
3 - Fence posts to the fence length on the western elevation to be mounted on base plates to be bolted to the wall.
4 - Fence posts to the fence length on the south elevation to be mounted on brackets to be bolted to the wall.

Please state why you wish to make this amendment

1 - intercom system deemed redundant, and was omitted from the scheme
2 - the position of the audio intercom would have interfered with the operations of the gate
3 - Fence posts installed in this way would more closely fit other installations of fencing in the area, and would allow the fencing to be more flush with the stone masonry wall.
4 - The wall on this elevation is not perfectly straight, and so with the previous method of fixing the fence panels may have protruded from the wall, as such this method allows the panels to be more flush with the length of the wall.

Are you intending to substitute amended plans or drawings?

- ☒ Yes
- ☐ No

If yes, please complete the following details

Old plan/drawing numbers

L05 - P2 - 13998 - Proposed Elevations

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
