DEVELOPMENT PROPOSED: Conversion of barn and attached cottage to form dwelling with granny annex and detached garage. Re-submission.

AT: Marsdens Farm Bashall Eaves Clitheroe Lancashire

Ribble Valley Borough Council hereby give notice that **permission has been granted** for the carrying out of the above development in accordance with the application plans and documents submitted subject to the following condition(s):

1. The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2. Precise specifications and samples of walling and roofing materials and details of any window and door surrounds including materials to be used shall have been submitted to and approved by the Local Planning Authority before their use in the proposed works.

Reason: In order that the Local Planning Authority may ensure that the materials to be used are appropriate to the locality in accordance with Policy G1 of the Ribble Valley Districtwide Local Plan and the adopted Supplementary Planning Guidance - "Extensions and Alterations to Dwellings".

3. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 (or any order revoking or re-enacting that Order) any future extensions, external alterations to the dwelling including any development within the curtilage as defined in Schedule 2 Part 1 Classes A to H shall not be carried out without the formal consent of the Local Planning Authority.

Reason: In order that the Local Planning Authority shall retain effective control over the development to ensure compliance with Policies G1 and H18 of the Ribble Valley Districtwide Local Plan.
P.T.O.

4. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 (or any Order revoking or re-enacting that Order) any future additional structures, hard standing or fences as defined in Schedule 2 Part I Classes E, F and G, and Part II Class A, shall not be carried out without the formal consent of the Local Planning Authority.

Reason: In order that the Local Planning Authority shall retain effective control over the development to ensure compliance with Policies G1 and H18 of the Ribble Valley Districtwide Local Plan.

5. All the external works of the development hereby permitted shall be completed before the expiration of three years from the date of this permission.

Reasons: In order that the Local Planning Authority retains effective control over the development and to ensure that there is no significant deterioration in the condition of the building contrary to Policies G1 and H16 of the Ribble Valley Districtwide Local Plan.

6. All new and replacement door and window head and sills shall be natural stone to match existing.

Reason: To comply with Policies G1, H16 and H17 of the Ribble Valley Districtwide Local Plan to ensure a satisfactory standard of appearance in the interests of visual amenity.

7. Notwithstanding the details shown upon the approved plans, the proposed Velux roof lights shall be of the Conservation Type, recessed with a flush fitting, details of which shall be further submitted to and approved by the Local Planning Authority before development commences upon the site.

REASON: In the interests of visual amenity in order to retain the character of the barn and to comply with Policies G1, H16 and H17 of the Ribble Valley Districtwide Local Plan.

8. The proposed development shall only be occupied as an extended family unit in conjunction with the property to which it is attached or related to and it shall not be used as a separate unit.

Reasons: In order to comply with Policies G1 and H9 of the Ribble Valley Districtwide Local Plan. The division of the dwelling into separately occupied units could be injurious to the amenities of the neighbouring occupiers and to the character of the area and would require further consideration by the Local Planning Authority.

9. The development hereby permitted shall not be commenced until details of the landscaping of the site, including wherever possible the retention of existing trees, have been submitted to, and approved in writing by, the Local Planning Authority. The scheme shall indicate, as appropriate, the types and numbers of trees and shrubs, their distribution on site, those areas to be seeded, turfed, paved or hard landscaped, including details of any changes of level or landform and the types and details of all fencing and screening.

The approved landscaping scheme shall be implemented in the first planting season following occupation or use of the development, whether in whole or part and shall be maintained thereafter for a period of not less than 5 years to the satisfaction of the Local Planning Authority. This maintenance shall include the replacement of any tree or shrub which is removed, or dies, or is seriously damaged, or becomes seriously diseased, by a species of similar size to those originally planted.

Reason: In the interests of the amenity of the area and to comply with Policy G1 of the Ribble Valley Districtwide Local Plan.

APPLICATION NO. 3/2006/0427

DECISION DATE: 28 June 2006

10. No development approved by this permission shall be commenced until a scheme for the disposal of foul and surface waters has been approved by the Local Planning Authority. Such a scheme shall be constructed and completed in accordance with the approved plans.

Reason: To ensure a satisfactory means of drainage in accordance with Policy G1 of the Ribble Valley Districtwide Local Plan.

11. Unless otherwise agreed in writing with the Local Planning Authority the development shall be carried out in strict accordance with the recommendations of the bat survey and report submitted with the application dated 26th of March 2006.

Reason: To comply with policies G1 and ENV7 of the Ribble Valley Districtwide Local Plan ensuring that no species/habitat protected by the Wildlife and Countryside Act 1981 are destroyed.

12. The proposed garden curtilage for the development, shown marked in green on the drawing marked 'Curtilage Site Plan' shall remain in perpetuity, and in accordance with the approved plan.

Reason: Bearing in mind the sites location within the Forest of Bowland Area of Outstanding Beauty and that the extension of residential curtilage would represent further urban encroachment to the detriment of the surrounding countryside.

Relevant planning policy

Policy G1 - Development Control
Policy G5 - Settlement Strategy
Policy ENV1 - Area of Outstanding Natural Beauty
Policy H10 - Residential Extensions

Summary of reasons for approval

The proposal represents an appropriate form of development and given its design, size and location would not result in visual detriment to the surrounding countryside, nor would its use have an adverse impact on highway safety.

Note(s)

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application
