APPLICATION NO. 3/2020/0970

DECISION DATE: 16/03/2021

4. Before the development hereby permitted becomes operative, the existing boundary treatment on the highway frontage of the application site shall be reduced to and be permanently maintained henceforth at a height not greater than 0.9m above the nearside carriageway level.

Reason: To ensure adequate visibility for the drivers of vehicles entering and leaving the site.

5. Before the driveway is used for vehicular purposes, that part of the access extending from the highway boundary for a minimum distance of 5m into the site shall be appropriately paved in tarmacadam, concrete, block pavements, or other hard material to be approved by the Local Planning Authority.

Reason: To prevent loose surface material from being carried on to the public highway thus causing a potential source of danger to road users.

6. No building or use hereby permitted shall be occupied or use commenced until the footway has been reinstated to full kerb height, where any vehicle crossover(s) are redundant, in accordance with the approved plans and the Lancashire County Council Specification for Construction of Estate Roads, to be retained in that form thereafter for the lifetime of the development.

To maintain the proper construction of the highway and in the interest of pedestrian safety.

Reason: To safeguard the favourable conservation status of the bat population.

Note(s)

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.
3. The Local Planning Authority operates a pre-planning application advice service which applicants are encouraged to use. Whether or not this was used, the Local Planning Authority has endeavoured to work proactively and positively to resolve issues and considered the imposition of appropriate conditions and amendments to the application to deliver a sustainable form of development.

Notes

Right of Appeal

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission, or approve with conditions, a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000. The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.

Purchase Notices

If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, they may serve on the Council of the county borough or county district in which the land is situated a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
