Ribble Valley Borough Council hereby give notice that **permission has been granted** for the carrying out of the above development in accordance with the application plans and documents submitted subject to the following condition(s):

1. The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: Required to be imposed by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. Unless explicitly required by condition within this consent, the development hereby permitted shall be carried out in complete accordance with the proposals as detailed on drawings:

Site Plan: 3493/103

Location Plan: 3494/102

Plans and Elevations as Proposed: 3494/101

Reason: In order that the Local Planning Authority may ensure that the materials to be used are appropriate to the locality and respond positively to the inherent character of the parent dwelling/building.

4. The first floor window(s) in the east elevation of the extension hereby approved shall be fitted with obscure glazing (which shall have an obscurity rating of not less than 4 on the Pilkington glass obscurity rating or equivalent scale) and shall be non-opening, unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.

Reason: To protect nearby/neighbouring and future residential amenity.

The windows shall remain in that manner in perpetuity at all times.

Note(s)

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.
3. The Local Planning Authority operates a pre-planning application advice service which applicants are encouraged to use. Whether or not this was used, the Local Planning Authority has endeavoured to work proactively and positively to resolve issues and considered the imposition of appropriate conditions and amendments to the application to deliver a sustainable form of development.
