*comments:* Hello [REDACTED]. Over the last 12 months or so, there have been 4 major tree limb failures around our home, one of which actually crashed onto the road. Thankfully, to date, no one has been injured or worse as a result. These more recent events, lead to the specific request relating to the 2 trees which tower over the home [REDACTED]. During this time, these trees have grown up and out considerably [REDACTED] and with the recent failures, we are now very concerned that their presence represent an ever increasing threat to [REDACTED], our mental well-being, and even to our lives as well. As such, we ask that you are able to approve the application. Thank you Kind Regards [REDACTED]
