G. CHOICE OF PROCEDURE

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1. THE WRITTEN REPRESENTATIONS PROCEDURE _____ ✓

This is normally the simplest, quickest and most straightforward way of making an appeal. The written procedure is particularly suited to small-scale developments (e.g. individual houses or small groups of houses; appeals against conditions or changes of use).

- | | | | |
|----|--|-------|------|
| a) | Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? | YES ✓ | NO |
| b) | Is it essential for the Inspector to enter the site to check measurements or other relevant facts? | YES | NO ✓ |

If so, please explain below or on a separate sheet.

2. THE HEARING PROCEDURE _____

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or on a separate document why you think a hearing is necessary.

Please answer the question below.

- | | | | |
|----|---|-----|----|
| a) | Is there any further information relevant to the hearing which you need to tell us about? If so please explain below. | YES | NO |
|----|---|-----|----|

3. THE INQUIRY PROCEDURE _____

This is the most formal of procedures. Although you may indicate a preference for an inquiry the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or in a separate document why you think an inquiry is necessary.

- | | | | |
|----|--|------------------|----|
| a) | How long do you estimate the inquiry will last?
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment.) | No. of days | |
| b) | How many witnesses do you intend to call? | No. of witnesses | |
| c) | Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below.
Please continue on a separate sheet if necessary. | YES | NO |

H. GROUNDS OF APPEAL

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? YES NO ✓

We wish to apply for return of our Application fee of £670.00 see enclosed sheet for reasons
The reasons why we wish to appeal against the LPA decision are as follows:

The propose development is not in an isolated situation. It is in fact adjacent to 8 garages, 13 houses and flats which are in its immediate vicinity. With a further 3 houses within 1/4 mile of the plot.

Services would be similar to the other 16 houses that is: Electricity within 100 meters to the site and water within 20 meters. Sewage would be by septic tank or as the other properties. Broadband is good. Primary school within 2.5 miles. Swimming pool within 1.5 mile

Post office banks, Doctors etc at Clitheroe within 4 miles. Bus route to Clitheroe town within 1 mile.

Stonyhurst College to whom Hodder Place once belonged is within 1.5 miles and is one of the largest private schools in the country.

The plot is not in open countryside but within the area of Hodder Court.

The plot has in its history (that is 100 years approx) been a tarmac playground and car park for Hodder place school (see attached photos). Then subsequently it was used as a Car Park for ourselves and our visitors.

We feel that the addition of our proposed building will enhance the area around Hodder Court with plantings of hedges and trees and lawns.

Although the plot is within the AONB we were advised by a Planning Consultant at a public consultation afternoon arranged by Ribble Valley Council in the summer of 2011 that the Plot constituted a "Brown Field Site" as it had never in living memory been agricultural and has been used since early on in the century as a playground, hard tennis court and parking.

Please find enclosed photographs of 12 new houses being built at Dunsop Bridge which is in the same AONB. As you will see from a map this development is 12 miles from the nearest big town of Clitheroe.

Also being built in the area are 2 houses at Hurst Green and extensive extensions of Stonyhurst College all in the AONB.

There have been numerous houses demolished and then rebuilt much larger throughout the Ribble Valley and including AONB sites.

Obviously the number of sites in this area that are "brown field sites" must be very limited but as we understand these brown field sites should be given preference when deciding on development.

We respectfully hope you will approve our Application.

Yours faithfully

Mr F.P. Cherry
