 - 4 Grant approval of the matters reserved under an outline planning permission subject to conditions to which you object. ☐

- or
- 6 Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval ☐

G. CHOICE OF PROCEDURE

There are 3 possible choices:- written representations, hearings and inquiries. You should consider carefully which method suits your circumstances before selecting your preferred option by ticking the box.

1. THE WRITTEN REPRESENTATIONS PROCEDURE

This is normally the simplest, quickest and most straightforward way of making an appeal. The written procedure is particularly suited to small-scale developments (e.g. individual houses or small groups of houses; appeals against conditions or changes of use)

- a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? YES ☐ NO ☐
- b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? YES ☐ NO ☐

If so, please explain below or on a separate sheet.

2. THE HEARING PROCEDURE

This procedure is likely to be suited to more complicated cases which require detailed discussion about the merits of a proposal. At the hearing the Inspector will lead a discussion on the matters already presented in the written statements and supporting documents. Although you may indicate a preference for a hearing, the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or on a separate document why you think a hearing is necessary.

Please answer the question below.

- a) Is there any further information relevant to the hearing which you need to tell us about? If so please explain below. YES ☐ NO ☐

3. THE INQUIRY PROCEDURE

This is the most formal of procedures. Although you may indicate a preference for an inquiry the Inspectorate must also consider that your appeal is suitable for this procedure. You must give detailed reasons below or in a separate document why you think an inquiry is necessary

The proposal is a major housing application with details requiring scrutiny in connection with housing numbers and matters surrounding the emerging core strategy. Equally evidence needs to be given regarding the retention of the site

Continued on Supplementary Sheet

- a) How long do you estimate the inquiry will last?
(Note: We will take this into consideration, but please bear in mind that our estimate will also be informed by others' advice and our own assessment)

No. of days

- b) How many witnesses do you intend to call?

No. of witnesses

- c) Is there any further information relevant to the inquiry which you need to tell us about? If so, please explain below
Please continue on a separate sheet if necessary.

YES ☐ NO ☒

H. GROUNDS OF APPEAL

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? YES ☒ NO ☐

1. The site is in the urban boundary within a sustainable location and is capable of making a beneficial contribution towards the Council's identified housing need
2. The retention of the site for employment uses is unrealistic given the restrictions imposed on the nature of the uses on a sizeable proportion of the site making it undeliverable with the NPPF advocating the release of such sites
