DEVELOPMENT PROPOSED: Proposed erection of 7no. houses comprising 6no. semi-detached houses for social rent and on detached private house. Re-submission.

AT: Land next to 14 Church Raikes Chipping Lancashire PR3 2QJ

Ribble Valley Borough Council hereby give notice that **permission has been granted** for the carrying out of the above development in accordance with the application plans and documents submitted subject to the following condition(s):

1. The development must be begun not later than the expiration of three years beginning with the date of this permission.

REASON: Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2. The permission shall relate to the development as shown on Plan Drawing number's 09-1441-P01, 09-1441-P02, 09-1441-P03, 09-1441-P05 Rev. A, 09-1441-P06 Rev. A, 09-1441-P07 Rev. A, 09-1441-P09, 09-1441-L01, 09-1441-S04 Rev. A and 26192-5K02-P1.

REASON: For the avoidance of doubt and to ensure that the development is carried out in accordance with the submitted plans.

3. This permission shall be implemented in accordance with the proposal as amended by letter and plan received on the 7th December 2012.

REASON: For the avoidance of doubt since the proposal was the subject of agreed amendments.

P.T.O.

4. Save for clearance & site remediation, the development shall not begin until a scheme to secure the affordable housing has been submitted to and approved in writing by the Local Planning Authority. The affordable housing shall be provided in accordance with the approved scheme, unless otherwise agreed in writing with the local planning authority, and shall meet the definition of affordable housing in Annex 2 of the NPPF or any future guidance that replaces it. The scheme shall include:

- i.the tenure of the affordable housing provision to be made;
- ii.the arrangements for the transfer of the affordable housing to an affordable housing provider;
- iii.the arrangements to ensure that such provision is affordable for both first and subsequent occupiers of the affordable housing; and
- iv.the occupancy criteria to be used for determining the identity of occupiers of the affordable housing and the means by which such occupancy criteria shall be enforced.

REASON: For the avoidance of doubt as the permission is subject to an agreement in relation to the affordable housing approved. In accordance with Local Plan Policies G1, H2, H20 and H21, Policies DMG1, DMH1 and DMH3 of Regulation 22 Submission Draft Ribble Valley Core Strategy and Key Statement H3, the document 'Addressing Housing Need in Ribble Valley' and guidance within the NPPF.

5. Precise specifications and samples of walling and roofing materials, details of any window and door surrounds and fenestrations details (including materials to be used) shall have been submitted to and approved in writing by the Local Planning Authority before their use in the proposed works.

REASON: In order that the Local Planning Authority may ensure that the materials to be used are appropriate to the locality in accordance with Policies G1 and ENV1 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DME2 of Regulation 22 Submission Draft Ribble Valley Core Strategy and Key Statement EN2, and guidance within the NPPF.

6. No part of the development shall be commenced until a non-native species removal and disposal method statement has been submitted and agreed in writing the local planning authority. The details of which shall include details of the eradication and removal from the site all Himalayan Balsam.

REASON: To ensure that there is no risk of further spread of a non-native plant species and to ensure that there are no residue non-native plant species parts remaining. In accordance with Policies G1 and ENV13 of the Ribble Valley Districtwide Local Plan, Policy DMG1 of Regulation 22 Submission Draft Ribble Valley Core Strategy and Key Statement EN2, and guidance within the NPPF.

7. As advised within the submitted Phase I Survey, no part of the development shall be commenced until a preliminary Phase II intrusive site investigation is carried out to determine the status of contamination on site and to determine the geo-technical properties of the ground for foundation design. A remediation statement detailing the recommendations in remedial measures to be implemented within the site shall be submitted to the Local Planning Authority and the developer prior to the occupation of the site shall implement such remedial works. On completion of the remedial works the developer shall submit written confirmation in the form of a site completion report to the Local Planning Authority that all works were completed in accordance with the agreed remediation statement.

REASON: To prevent pollution of the environment in accordance with Policy G1 of the Ribble Valley Districtwide Local Plan, Policy DMG1 of Regulation 22 Submission Draft Ribble Valley Core Strategy and guidance within the NPPF.

P.T.O.

8. The development hereby permitted shall not be commenced until details of the landscaping of the site has been submitted to and agreed in writing with the Local Planning Authority. The scheme shall indicate, as appropriate, the types and numbers of trees and shrubs that maximises native species and wildlife friendly species. The agreed landscaping scheme shall include a Lancashire hedgerow mix consisting of appropriate species mix and tree/shrub types.

The approved landscaping scheme shall be implemented in the first planting season following occupation or use of the development, whether in whole or part and shall be maintained thereafter for a period of not less than 5 years to the satisfaction of the Local Planning Authority. This maintenance shall include the replacement of any tree or shrub that is removed, or dies, or is seriously damaged, or becomes seriously diseased, by a species of similar size to those originally planted.

REASON: To compensate for the loss of native traditional hedgerow and to enhance biodiversity and to assist in offsetting the loss of existing habitats. In accordance with Policies G1, ENV7 and ENV13 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DME3 of Regulation 22 Submission Draft Ribble Valley Core Strategy and Key Statements EN2 and EN4, and guidance within the NPPF.

9. Prior to commencement of any site works including delivery of building materials and excavations for foundations or services, all trees identified in the arboricultural/tree survey [T1 - T4 & G1 - G8 inclusive] shall be protected in accordance with the BS5837 2012 [Trees in Relation to Design, demolition & Construction]. These details shall be agreed in writing and implemented in full under the supervision of a qualified arboriculturalist and in liaison with the Countryside/Tree Officer. A tree protection - monitoring schedule shall be agreed and tree protection measures inspected by the local planning authority before any site works are begun.

The root protection/exclusion zone shall remain in place until all building work has been completed and all excess materials have been removed from site including soil/spoil and rubble.

During the building works no excavations or changes in ground levels shall take place and no building materials/spoil/soil/rubble shall be stored or redistributed within the protection/exclusion zone, in addition no impermeable surfacing shall be constructed within the protection zone.

No tree surgery or pruning shall be implemented with out prior written consent, which will only be granted when the local authority is satisfied that it is necessary is in accordance with BS3998 for tree work and carried out by an approved arboricultural contractor.

REASON: In order to ensure that any trees affected by development and considered to be of visual, historic or botanical value is afforded maximum physical protection from the potential adverse affects of development. In order to comply with planning policies G1 and ENV13 of the District Wide Local Plan, Policy DMG1 of Regulation 22 Submission Draft Ribble Valley Core Strategy and Key Statement EN2, and guidance within the NPPF. To ensure that trees of visual amenity value are protected against adverse affects of the development.

10. Prior to the commencement of any phase of development, details for how foul and surface water shall be drained on separate systems shall be submitted to the local planning authority and approved in writing for that phase. The development shall be completed, maintained and managed in accordance with the approved details.

REASON: To ensure that the site is drained on separate systems for foul and surface water to ensure a satisfactory means of drainage in accordance with Policy G1 of the Ribble Valley Districtwide Local Plan, Policy DMG1 of Regulation 22 Submission Draft Ribble Valley Core Strategy and guidance within the NPPF.

P.T.O.

11. If any tree felling or hedgerow removal is carried out during the bird -breeding season [March - August inclusive] it shall be preceded by a pre-clearance nesting bird survey by an experienced ecologist/ornithologist. If nesting birds are found an exclusion zone shall be maintained around any occupied nest and these areas shall not be cleared until declared free of nesting birds by an ecologist/ornithologist.

REASON: To ensure that bird species are protected and their habitat enhanced in accordance with the Wildlife & Countryside Act 1981 as amended, the conservation [Natural Habitats & c.] Regulations 1994 and the District Wide Local Plan. To protect species protected in law/of conservation concern against harmful activities of development, as trees and hedgerows are important for bird species.

12. No development shall take place until details of the provisions to be made for building dependent species of conservation concern artificial bird nesting boxes and artificial bat roosting sites have been submitted, and approved by the local planning authority. The details shall be submitted on a building dependent bird/bat species development site plan and include details of plot numbers and the numbers of per individual building/dwelling and type. The details shall also identify the actual wall and roof elevations into which the above provisions shall be incorporated -north/north east elevations for birds & elevations with a minimum of 5 hours morning sun for bats. The artificial bird/bat boxes shall be incorporated into those dwellings/buildings during the actual construction of those individual identified on the submitted plan before the development is first brought into use, unless otherwise agreed in writing by the local planning authority.

REASON: To protect the bird/bat population from damaging activities and reduce or remove the impact of development, to ensure that there are no adverse effects on the favourable conservation status of a bird/bat population before and during the proposed development and to ensure that bird and bat species are protected and their habitat enhanced, in accordance with the Wildlife & Countryside Act 1981 as amended, the Conservation [Natural Habitats & c.] Regulations 1994 and District Wide Local Plan.

13. Access to the car parking areas shall remain ungated in perpetuity.

REASON: To permit vehicles to pull clear of the carriageway of Church Raike when entering the site in the interests of highway safety. In accordance with Policies G1 and T1 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DMG3 of Regulation 22 Submission Draft Ribble Valley Core Strategy, and guidance within the NPPF.

14. The parking and manoeuvring areas shall be laid out in accordance with Drawing 09-1441-P05 Revision A and shall be available for use before the development is brought into use.

REASON: To provide adequate car parking facilities for the development in the interests of highway safety. In accordance with Policies G1 and T7 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DMG3 of Regulation 22 Submission Draft Ribble Valley Core Strategy, and guidance within the NPPF.

15. Before the two access points are used for vehicular purposes, the proposed access and car parking areas detailed on Drawing 09-1441-P05 Revision A shall be appropriately paved in tarmacadam, concrete, block pavements, or other approved materials.

REASON: To prevent loose surface material from being carried onto the public highway thus causing a potential source of danger to other road users. In accordance with Policies G1 and T1 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DMG3 of Regulation 22 Submission Draft Ribble Valley Core Strategy, and guidance within the NPPF.

P.T.O.

16. The existing hedge on the highway frontage of the site to Church Raike shall be removed and may be replanted not less than 2 metres back from the edge of the carriageway of Church Raike.

REASON: To ensure adequate visibility for the drivers of vehicles entering and leaving the site. In accordance with Policies G1 and T1 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DMG3 of Regulation 22 Submission Draft Ribble Valley Core Strategy, and guidance within the NPPF.

17. A 2 metre wide footway shall be provided along the entire frontage of the site to Church Raike.

REASON: To provide adequate facilities for pedestrians and to ensure adequate visibility at the site access points. In accordance with Policies G1 and T1 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DMG3 of Regulation 22 Submission Draft Ribble Valley Core Strategy, and guidance within the NPPF.

18. No part of the development shall commence until a scheme for the relocation or replacement of the three existing lighting columns that are presently situated on the site frontage has been submitted to, and approved by, the Local Planning Authority in consultation with the Highway Authority.

REASON: To ensure that street lighting levels are maintained in the interests of highway safety. In accordance with Policies G1 and T1 of the Ribble Valley Districtwide Local Plan, Policies DMG1 and DMG3 of Regulation 22 Submission Draft Ribble Valley Core Strategy, and guidance within the NPPF.

SUMMARY OF REASONS FOR APPROVAL

The proposal represents an appropriate form of development and given its design, size and location would not result in visual detriment to the surrounding countryside, nor would its use have an adverse impact on highway safety.

The Local Planning Authority operates a pre-planning application advice service which applicants are encouraged to use. Whether or not this was used, the Local Planning Authority has endeavoured to work proactively and positively to resolve issues and considered the imposition of appropriate conditions and amendments to the application to deliver a sustainable form of development "

Note(s)

1. For rights of appeal in respect of any condition(s)/or reason(s) attached to the permission see the attached notes.
2. The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.
3. Ribble Valley BC imposes a charge to the developer to cover the administration, and delivery costs in providing wheeled bins to each household within a new build property or conversion. Details of current charges are available from the RVBC Contact Centre on 01200 425111.
4. Restrictions within the document United Utilities North West Guideline Reference No. 90048 Issue 1.2 October 2007 Distribution Manual 'Standard Conditions for Works Adjacent to Pipelines' shall be adhered to during the development.
5. Should this planning application be approved, the applicant should contact our Service Enquiries on 08457462200 regarding connection to the water mains/public sewers.
6. A separate metered supply to each unit will be required at the applicant's expense and all internal pipe work must comply with current water supply (water fittings) regulations 1999.
7. This site must be drained on a separate system, with only foul drainage connected into the foul sewer. Surface water should be discharged to the soakaway/watercourse/surface water sewer and may require the consent of the Local Authority. If surface water is allowed to be discharged to the public surface water sewerage system UU may require the flow to be attenuated to a maximum discharge rate determined by UU.
8. There shall be no burning of materials on site.
9. This consent requires the improvement or alteration of an access to the public highway. Under the Highways Act 1980 Section 184 the County Council as Highway Authority must specify the works to be carried out. Only the Highway Authority or a contractor approved by the Highway Authority can carry out these works and therefore before any access works can start you must contact Lancashire County Council for further information.
