From Bowland Forest higher division parish council

Re: planning applications 3/2021/0660 and 3/2021/0661

The above parish council would like to comment that it would be helpful if all other roads in the vicinity ie Trough Road, roads through Whitewell, Cow Ark, Bashall Eaves, Leagram and Chipping are not subject to any closures during the period of the HARP works so as not to add to any traffic flow problems in the Hodder Valley.

Thank you
