Hi Rebecca

Re: application 3/2021/0066

Many thanks for taking the points we raised into consideration.

Having looked at the submitted amended plans I have a couple of points to clarify / raise:

- The height of the glass [REDACTED] from what I can see on the plans.
- [REDACTED] - is it possible to increase this height, in line with the maximum height for garden fence panels at 2m?
- could you also confirm that this will be of 1 piece, [REDACTED]
- I also need some clarification on the term "obscured / frosted glass" - [REDACTED] - will the type of glass be detailed on the final plans? Can you provide details of this?

I look forward to hearing back from you shortly
