Planning Application Reference Number: 3/2021/0556

Address of Development: 74 Higher Road

Your Comments: Please, no more new builds on our green spaces!
Longridge was not meant to be a big town; our small village community feel is being swallowed by the number of new builds.
Our infrastructure cannot cope with the influx of new residents - our schools, doctors surgeries and roads are already struggling with no sign of any help / upgrades/ money for improvements.

It is also understood that some of the recent affordable new builds have been sold to out of town housing agencies which surely makes clear that the local demand isn't there.

Living just off Higher Road, I am concerned about heavier traffic, noise and disruption to a small town that is already overwhelmed by construction.

Please put a stop to this madness and save the Ribble Valley.
