Address of Development: Higher Road Longridge

Your Comments: How on earth can this development be permitted. The doctors dentists and schools are already so over subscribed. Houses near Dilworth Lane have already been subjected to drilling, digging and building for the last 2 years thanks to the Tootle Green development, not to mention the lorries rattling our houses when going to site.

Longridge infrastructure cannot cope. Literal sink holes are opening up with roads collapsing. This scheme is in the wrong place. When will enough be enough?
