Dear Mr Taylor

Thank you for your letter of 25th June informing us of progress on Planning Application No: 3/2021/0642.

[REDACTED] Any extension to the porch at no. 8 will just make turning that bit tighter.

My comment is that it is a pity to try to squash more building into an already small housing estate, when this pandemic has shown how much people value space around their houses. I hope that consideration to these needs will be taken into account in future development in the village, or other rural areas.

**In any future developments, may I suggest you make sure there is room for a minimum of 2 cars per household, plus space for visitors and access for builders etc..**

Yours faithfully,
