To whom it may concern

I am writing to you with my objection to the above planning applications, which will affect the whole of chatburn community.

Heavy vehicles coming through the village on an hourly and daily basis will cause nothing but traffic problems, vehicles will be damaged as the roads aren't wide enough.

It will become very dangerous for people to cross the roads.

The school runs will become very challenging when children are trying to cross the roads.

This can not go ahead for everyone's safety.

Many thanks
