I am writing to object the proposed Route 1 for this project
I would urge the council to go with the propose Route 2

The reasons for this is that the impact that the constant flow of large lorries that would have on Ribble Lane would be detrimental to everyone in Chatburn,
There would be no parking for residents of Ribble Lane and the residential houses off Ribble Lane,traffic would be constant and congestion would be at a cost to all local businesses in the Village,buses wouldn't be able to maintain a timetable and schools would also have punctuality problems for all road users getting into the Village.

Route 2 is the best and only option as a Village resident of Chatburn for 15 years I urge you to use Route 2

Kind regards
