

Route 1 / NO 3 / 2021 / 0660
Route 2 / 1103 2021 / 0661

Dear Sir

Haweswater Aqueduct Program

With reference to the above planning application we would strongly object to any proposed route through Chatburn West Bradford Grindleton

The logical and sensible route would be to use the haul route for all traffic including the vehicles which it is proposed will travel through Waddington to Chatburn Road Clitheroe and Pambico by pass.

Yours Sincerely
