**Your Comments:** Further to the submitted retrospective application for the (now built) outbuilding ancillary to the existing dwellinghouse Thorneyholme Hall, I would have no objection to the proposal provided there is an undertaking that there should not be allowed any future applications for change of use of the ancillary outbuilding

for commercial purposes.

I have no objection to the proposal to formalise the new area of parking to the rear of the property in place of the existing ménage (already removed) and associated lighting bollards (now installed) along the driveway connecting to the car park.
