Dear Sir/Madam,

With reference to the Planning Application 33278 for The Buck Inn Grindleton, we are in full support of the Council granting this application.

The village has been without a Public House for too long now, after the shambolic events surrounding the Duke of York.

To say that this application will have a detrimental effect on the Duke of York is beyond belief.

We strongly believe that the plans for the Buck Inn represent the best and only opportunity of re-establishing a viable Public House and restaurant at the heart of the village which every village should have.

Yours faithfully,
