Dear RVBC

I am mailing in support of planning application 3/2021/0725, described here:
<https://www.ribblevalley.gov.uk/planningApplication/33278>

I am a local resident, [REDACTED] Both pubs in Grindleton have been left vacant for a number of years now; a proposal to refurbish and reopen The Buck Inn is extremely welcome, and would be very popular in the village.

The proposed alterations would serve to improve the layout and usability of the pub as a venue for dining. I would prefer to see an operating pub with minor changes to layout than to see the building to fall into a dilapidated state (as appears to be happening to the other nearby former pub, the Duke Of York).
