Planning Application Reference Number: 3/2021/0725

Address of Development: The Buck Inn Grindleton

Your Comments: I would like to support this application . As a long standing member of the community in Grindleton [REDACTED] I believe that the development proposed would be of huge benefit for the village, the people who live in Grindleton and the surrounding area. [REDACTED] the Buck was an integral part of the fabric of the village and since its closure it has been sadly missed by the villagers.. I understand that the proposal has been criticized regarding its effect on the Conservation Area but the new proposals are a realistic attempt to find a compromise so as to allow the business to be viable and also to preserve the character of the village conservation area.. I earnestly request the committee to accept the new proposal as I am sure the benefits will outweigh any slight concerns of its impact on the Conservation area.
