Planning Application Reference Number: 3/2021/0725

Address of Development: Buck Inn Sawley Road Grindleton Lancashire BB7 4QS

Your Comments: I am writing to strongly support this planning application to upgrade and re-open the Buck Inn as a pub and restaurant. Since both the pubs in the village closed I have felt the once very strong sense of community in the village has weakened significantly. Especially now all the covid restrictions have lifted I feel it is of paramount importance to bring everyone together again, to ensure people in the village, young and old alike have a place to meet, to talk, to connect -and what better place than the local pub with a meal and a drink!
The upgrade would also help the local economy as Grindleton village has many walkers and visitors to the area with limited accommodation so it would make perfect sense for them to stay to enjoy the hospitality the village can offer too.
