Dear Sir/Madam,

Re planning application ref 3/2021/0725

Please accept these comments although I see they're after the deadline - I've been away and only just understood the timeframe. I have attempted to use the website but am unable to select my address.

I am fully in support of this application and its proposals for the renovation and alteration of the Buck Inn, so that it can properly restore some of the vibrancy to the village centre, much needed following the drawn-out debacle about the Duke of York. The people of Grindleton are poised to support any reinstatement of community space and I am delighted that these proposals for the Buck Inn bring us a step closer to that goal.

I ask Ribble Valley BC to add their support to the people of Grindleton and pass this application as soon as possible.

Yours sincerely,
