Dear Sir,

I write to fully endorse the above application. A food pub in Grindleton will be a welcome return , providing a valuable and essential service to the community. I believe the re-opening / retaining village pubs is Government and Ribble Valley BC policy.

[REDACTED] recall that during the consultation for the Village 5 year Plan in 2018 over whelming support for our pubs to reopen was not only expressed by the villagers but also unanimously endorsed by the Parish Council. The fact that over 200 people , mainly villagers, have also invested in the Community Pub Group to purchase the Duke of York confirms the strength of that desire.

The Buck Inn will provide an excellent community hub in addition to the (pre bookable only) Pavilion. and will encourage further tourism to this corner of the Ribble Valley.

Yours faithfully

Peter Entwistle
