**Planning Application Reference Number:** 3/2021/0725

**Address of Development:** The Buck Inn, Grindleton

**Your Comments:** I support this application. The village of Grindleton has been without a pub for a long time now, and I certainly miss this social space, where we used to meet with neighbours regularly. Whilst the application may not be perfect from all perspectives, it will result in a significant improvement to the village and village life - aesthetically, socially and economically. We managed with the car park having only 6 spaces before, so I'm sure it will be manageable again. I expect many patrons will be locals who will walk and not require parking. The ensuite

rooms will be a real bonus too, for locals like myself who sometimes have family & friends visiting but not enough rooms in our own houses.
