Planning Application Reference Number: 33278

Address of Development: The Buck Inn
Grindleton

Your Comments: I wish to support the Buck application as it is hugely important to Grindleton and improves what has become a run down neglected building. In particular the building plans for the front of the Buck will conceal an ugly existing yard/tip to create an attractive building with a well thought through design to blend within and enhance Grindleton village. A huge improvement that will be a much used asset within Grindleton and surrounding villages.
